This morning we proceed to Caesarea, built by Herod the Great and one of the most researched archaeological sites in the Holy Land. We will visit the Roman port, Crusader's Moat, Hippodrome, Roman Theater, and aqueduct. From here we continue to Mount Carmel where Elijah challenged Baal's priests. After lunch, we proceed to Megiddo to visit the excavations that unearthed 20 different civilizations; this is known as Har Megiddo ("Armageddon"). We pass by Nazareth on our way to the Sea of Galilee for dinner at our Tiberias hotel. Take a swim in the Sea of Galilee and be sure to visit the petting zoo. If possible, we will have a Jewish high school history teacher visit us in the evening; among other issues, he will explain his view on the Palestinian state.

DAY 4 - Wednesday, February 27, 2013 - GINOSSAR / CHORAZIN / DAN / CAESAREA PHILIPPI / TIBERIAS

This morning we leave Tiberias and head north via Magdala to Ginossar to view the New Testament boat found in the sea. Then we'll go to Chorazin, through the Hula Valley to Hazor, and see ruins of the powerful Canaanite city destroyed by Joshua and rebuilt by King Jabin and then by Solomon as a chariot city to command upper Galilee. We continue to the northern limits to Dan, where we combine a nature walk beside the Upper Jordan with views of the ancient ruins, topped by the Israelite high place that supported a golden calf (1 Kings 12). From here we'll take a short drive to Baniyas (Caesarea Philippi), dedicated to Pan the Greek god of pastures, flocks and shepherds, where Peter made his great profession of faith. Driving along the base of Mount Hermon, we ascend onto the Golan Plateau for a magnificent view of upper Israel. Return to the hotel at Tiberias for dinner and overnight.

DAY 5 - Thursday, February 28, 2013 - SEA OF GALILEE / CAPERNAUM / TABGHA / MOUNT OF BEATITUDES / BET SHEAN / JORDAN RIVER (BAPTISM) / DEAD SEA

There's nothing like an early morning boat ride on the Sea of Galilee where we will be able to look to the same shores seen by Jesus and His disciples. It will be a chance to meditate, worship, and even learn a Jewish dance. Next we continue to Capernaum where we can see Peter's mother-in-law's home as well as a synagogue that has been fully excavated. From here, we visit Christian churches located at Tabgha and the Mount of Beatitudes—a place where we can read from the Sermon on the Mount. After lunch, we stop by the Jordan River where those participants who have never been baptized (or who do not remember their infant baptism) will have a chance to give their testimony and be immersed in the same way as Jesus. We then travel along the Rift Valley to Bet Shean, an amazing archaeological site associated with the death of King Saul. We will have the opportunity to see the ancient theater and take a hike up the tell (the ancient mound comprising more than a dozen civilizations). From here, we drive down to the Dead Sea, the lowest place on the earth (1300 feet below sea level) where we will spend a night at a luxury hotel. Bring your bathing suits and get ready to apply some natural mud to your body in a body of water where everyone floats, regardless of their swimming skills!

DAY 6 - Friday, March 01, 2013 - DEAD SEA / MASADA / EIN GEDI / JERUSALEM

For those wanting a little time in the morning to finish applying mud, let's do it! We then drive to Masada and ascend by cable car to the magnificent ruins of the fortress where, from AD 70-73, Jewish defenders made their historic stand in the Judean revolt against Rome. We will visit the storehouses, cisterns, and palace created by Herod the Great. Continuing alongside the Dead Sea, 1300 ft. below sea level -- the lowest spot on earth -- we make a stop at Ein Gedi. Here we will have time for lunch and to walk to the water falls that David would have used while he was fleeing from Saul.

This afternoon we proceed to Qumran and the caves where the Dead Sea Scrolls were found. We will be met by filmmaker Joel Kramer, who will take us on an adventurous hike up the hill to Cave 1, the place where Bedouin shepherds first found the Dead Sea Scrolls, the most important biblical text discovery ever! This is not a timid hike, so you'll need good shoes, but when you arrive and climb into this unmarked cave, you'll know it was worth it. We will go to a camel farm for a camel trek into the Judean wilderness. You will touch the land like no other journey can. Finally, we head to the Golden City of Jerusalem for a panoramic view. Our hotel, the Ambassador, will be our home for the next five nights. Spread out and enjoy! After dinner, Joel Kramer will speak to the group.

“This trip has so much power to change you!”

DAY 7 - Saturday, March 02, 2013 – “JOEL KRAMER’S WEST BANK DAY” JACOB’S WELL / SHECKEM / JOSEPH’S TOMB / SAMARIA / MOUNT GERIZIM / JERICHO / JERUSALEM

We have the privilege of being joined by Joel Kramer as we see West Bank sites many will not see on a typical Holy Land trip. First, we begin at Jacob's Well where Jesus had his conversation with the Samaritan woman. Next is Shechem where a gate from the time of Abraham and a temple mentioned in Judges are located. From here, we visit Joseph's Tomb before heading to Samaria to see the Israelite ruins of the capitol of the Northern Kingdom of Israel. After lunch, we drive to Mount Gerizim where the Samaritan people live to view the ruins of their ancient temple. Finally, we end at Jericho where we can hear about the places we learned about on the DVD *Jericho Unearthed*. Dinner and overnight at the hotel.

DAY 8 - Sunday, March 03, 2013 - RABBI TUNNEL / WESTERN WALL / RAMPARTS / SHRINE OF THE BOOK / ISRAELI MUSEUM / YAD VASHEM

This morning we tour the Rabbi Tunnel, entering by the Western Wall plaza to enter the foundation of the Temple. We will see a model that will demonstrate where we are in location to the Temple in the time of Christ. Back outside, we will experience the Western "Wailing" Wall, the holiest place in all of Judaism. Next, we'll climb the ramparts and walk on the walls that surround the city of Jerusalem. Afterwards, we'll eat lunch in the Old City and have some time for shopping before heading to the Shrine of the Book (Dead Sea Scrolls) and the model city of Jerusalem at the time of the Second Temple. We can also see the Israeli Museum, which houses important biblical artifacts. We end up at Yad Vashem, a Holocaust memorial museum, to visually experience the horrors of what evil man is capable of doing without God. Dinner and overnight at our hotel.

DAY 9 - Monday, March 04, 2013 - NEW CITY / HEZEKIAH'S TUNNEL / BETHLEHEM / SHEPHERDS' FIELDS

The New City of Jerusalem is our destination, including Mount Zion, the Upper Room, the tomb of King David, and Dormition Abbey. We enter the Jewish Quarter of the Old City to visit the Wohl Archaeological Museum. Remains of this area of Jerusalem date back to the time of the Herodian Dynasty (37 BC to AD 70). Our group will then descend the slope of the first Jerusalem ("City of David") to the Gihon Spring and wade in the knee-high water through Hezekiah's Tunnel. You will feel the walls chiseled 2700 years ago as we slosh through the water tunnel! Just don't forget the flashlight!

This afternoon we will drive south, passing by Rachel's Tomb and traveling to a hilltop for a good view of Bethlehem to note its relation to the rest of the central mountain range, including Jerusalem, as well as the desert and the area of ancient Moab. Driving south, we visit Solomon's Pools, Jerusalem's main source of water for almost 2,000 years. Passing the monastery of Hortus Conclusus ("the sealed garden") in Artas, we go to Herodium, the palace set in a conical mountain that was built by Herod and where his tomb was uncovered in 2009. Finally, we end our day visiting one of the possible sites for the Shepherds' Fields—let's sing "Silent Night"—and going inside the Church of the Nativity, the place where Jesus was born, as well as enter the quarters where Jerome translated the Latin Vulgate in the fourth century. Dinner and overnight at our hotel.

DAY 10 - Tuesday, March 05, 2013 - OLD CITY / VIA DOLOROSA /GALLICANTU / GETHSEMANE / GARDEN TOMB

We begin the day ascending the hill to the Dome of the Rock and al-Aqsa Mosque, located on the site of the ancient Temple Mount. Just to the north we find the Pools of Bethesda (John 5) and St. Anne's Church; the church is perfectly preserved from the Crusader period -- with remarkable acoustics. Let's sing "Amazing Grace"! Next we go on Via Dolorosa, the Way of the Cross, and learn about the Stations of the Cross, ending up at the Church of the Holy Sepulcher.

This afternoon we exit the Old City at Mt Zion to the grounds of a church called Peter in Gallicantu, which affords the best view of early Jerusalem from the west. Here, some suggest, was where the high priest Caiaphas interrogated Jesus. If there is time, we will make our way to the grave of Oskar Schindler, a German businessman who was responsible for saving more than a thousand Jewish lives during the Holocaust. From here, we visit the Church of All Nations, marking the place of Gethsemane. There are olive trees in the garden going back 2,000+ years! Finally, the climax of our trip: the Garden Tomb where we can have a private communion service on the grounds outside the city walls. Return to our hotel for dinner and overnight.

DAY 11 - Wednesday, March 06, 2013 - JERUSALEM / TEL AVIV / USA

We transfer to the airport for our flight home with unforgettable memories to cherish always. Knowing we have walked in the footsteps of Jesus and the early Christians on such a memorable tour will bring new meaning to our Bible reading and will enable us to better "own our own faith."

“The thrill of walking where Jesus walked and seeing the hills that Jesus preached from...it changes the way you read the Bible. It’s definitely worth it!”

“My experience on this trip was unlike any other. I will never forget what I saw and felt as we took a boat ride on the Sea of Galilee—I knew I was seeing the same things that Jesus Himself saw. This was the trip of a lifetime and it was worth every cent.”
